## Locke Lord Partner William Bux Nationally Recognized for Outstanding Client Service

**(HOUSTON) February 18, 2014** – Locke Lord LLP Partner **William “Bill” Bux** is among a select group of labor and employment lawyers who have been recognized for excellent client service in a survey of U.S. corporate counsel conducted by BTI Consulting Group.

Bux is one of just three Texas labor and employment lawyers to be included in the 2014 BTI Client Service All-Stars list, and one of 49 nationwide.

Nomination for the 2014 honor came from BTI’s survey of more than 300 corporate counsel from Fortune 1000 and other large companies who gave feedback in six key categories: client focus; exceptional understanding of the client’s business; outsized value; legal skills; outstanding results and – new to this year – innovation. Inclusion in the report is driven solely by direct feedback from corporate counsel.

Bux, Board Certified in labor and employment law, focuses on all aspects of traditional management/union labor relations law, representing management and employers in the litigation of a variety of claims related to employment discrimination, occupational safety and health, wrongful termination, executive contracts, Sarbanes-Oxley, whistleblower, and wage and hour disputes. He is also a past chair of the Firm’s labor and employment practice group, and the State Bar of Texas’ labor and employment law section. He is frequently recognized in *The Best Lawyers in America*.

Locke Lord consistently ranks among *American Lawyer’s* top 100 U.S. law firms. The Firm’s full range of practice and industry areas serve national and international clients from offices in Atlanta, Austin, Chicago, Dallas, Hong Kong, Houston, London, Los Angeles, New Orleans, New York, Sacramento, San Francisco and Washington, D.C. It has an excellent reputation in complex litigation, regulatory and transactional work, with its 650-plus attorneys building collaborative relationships and crafting creative solutions – all designed and executed to meet clients’ long-term strategic goals.
